

VII International Mountain Film Festival ,Adventure and Environment

INKAFEST

Huaraz – Perú

August 15 - 21 2011

Film Competiton. Entry regulations

Our festival seeks to reach out to the sports community and ordinary city people through film and slide shows focusing on the mountain and mountain/adventure sports cultures. It provides a forum for exchanges and sharing among movie-makers, sports enthusiasts and the public at large. In this way it supports the ways in which art can be used effectively as a means to spread information about the world of mountains and mountain related activities. The Festival has as one of its primary goals to highlight the importance for modern man to preserve the environment, nature and, particulary, mountain ecology. Welcome to the world of mountains ...
